

TRAVEL DOCUMENTS

Passport, VISA, Resident Card

- Each passenger must have a valid passport. If the passport is other than a United States or Canadian passport, a U.S. visa or resident card is required.
- Missionary Flights International (MFI) requires a clear, legible copy of the entire front of the resident card or the **entire** picture page of the passport and visa (*this includes all the letters and numbers at the bottom of the page*). If you cannot easily read everything on the picture/copy that you are going to send, MFI won't be able to read it either. Please take the time to send a clear copy.
- Check passport dates to make sure they are valid. If someone needs a new passport, please encourage them to apply for it right away. It can take 8 to 11 weeks to get a passport.
- If you or someone in your group has a document other than a U.S. passport or U.S. resident card, MFI must have a U.S. address and phone number where you/they will be staying while in the U.S.
